Welcome

- Our Foodbank operates to assist in meeting the immediate need of basic food for you and your family in an emergency situation.
- We are open on Tuesdays, Wednesdays and Thursdays from 10am to 12pm.

Criteria

- Anyone needing assistance with food is required to first seek assistance from Work & Income.
- You must provide a current declined letter from WINZ stating that you are not eligible for any food grants.
- You cannot apply for food assistance on behalf of others.

Ongoing Assistance

- Further assistance will be assessed on a needs basis.
- It is recommended that budgeting help be obtained as part of the qualification for additional help.

Community Support

While every endeavour is made to meet the needs of clients and families we are dependant on the generosity of the community and local businesses for food and supplies which we distribute.

We acknowledge and thank the individuals and companies that support us in our work.
