COMBINED YOUTH SERVICE

A team of us had been dreaming, praying and planning for this event called Crossfit. The idea was to have a follow up combined youth service and get together after Easter Camp. On Saturday the 29th of June over 50 youth plus their leaders and helpers from Midland Division came together for an afternoon of fun, team building and games. As they arrived at the Gym excitement filled the air with music playing in the background. They were put into teams with others, some whom they didn't know. They had to work together to complete challenges that required determination and perseverance.

After all that hard work they had a snack and some free time. Some used the time to get to know others and some enjoyed a game of volleyball, table tennis, cards or board games. We then had dinner at the cafe at 9t4 of pizza and hot chips before the youth service started.

The youth service was jam-packed. There was more fun, fellowship, worship and a challenging message. We had an ice-breaker where you actually had to break ice!! Our guest speaker for the night was Lieutenant Jordan Westrupp who spoke about the spiritual aspect of our theme "Crossfit". Jordan shared the story about Paul who used sports illustrations in order to highlight a spiritual truth. Paul speaks of the self-control that athletes need in order to obtain their

prize. Every athlete needs a strict diet and exercise plan in order to succeed to the best of his or her abilities. This is what all Christians strive for, isn't it? Yet, it is one of the hardest things to do. Just as it is difficult for a fighter to continue fighting after many rounds, it is difficult for a Christian to stay faithful and committed until his very last breath - yet it's so crucial!. Chantelle Lindsey and her music team led us in a time of reflection after the message. It was a great time to come together and finish off with a challenging message to continue to fight the good fight and to finish the race well.

WHAT DOES HE TĀNGATA MEAN TO US?

Our "Family News" section is called He Tāngata.

The name has been drawn from the famous Maori Proverb...

He aha te mea nui o te ao

What is the most important thing in the world?

He tāngata, he tāngata, he tāngata

It is the people, it is the people, it is the people.

This section is a place where we can lovingly, celebrate victories and honour life events.

If you have any information for future issues we would love to hear from you. Fill out one of the He Tāngata forms in the foyer and pop it into the drop box, also located in the foyer. If you prefer to email or phone us with your news this information is also on the form.

Under God, the most important thing for us as a faith community is you, the people; PEOPLE Matter Most!

Capt. Marcus & Jen Collings
